

Multishop and mega menu

Posted by Sergey - 21 May 2019 20:28

Does this plugin support multishop? Now i want to buy this extension for webstore, i need to know will it work on all my substores.

=====

Dear sir,

Thanks so much for paying your attention to our extension

Does this plugin support multishop? => Yes. It supports multishop.

Please let us know if you have any other questions.

Thanks & Regards,

=====
